

# WINTER CHECKLIST

<b><u>Natural Choice Ice Melt</u></b>	Our highest rated ice melt is composed of all natural ingredients; sodium, urea , FS 2000 (magnesium and plant-based liquid coats every particle) and a food grade UV sensitive marker dye. It will not harm concrete or vegetation and is safe for kids and pets. Blue color helps to avoid waste from over-application. It has excellent staying power and melts down to -13F. <b>#710250 50/lb bag</b>
<b><u>Calcium Chloride Pellets</u></b>	94% - 96% Calcium Chloride pellets are fast acting at all temperatures and melt down to -25F. Leaves no powdery residue and works longer for less frequent application. Safe for concrete and vegetation with no tracking when properly applied. <b>#710130 – 50/lb bag</b>
<b>Rock Salt Crystals</b>	Most cost effective ice melt made from natural mineral rock salt. High capacity ice melter with blend of large and small melting crystals for extended melting action. Helps provide instant traction on snow and ice. <b>#710060 – 50/lb bag</b>
<b><u>Liquid ice melt</u></b>	Newer alternative to traditional pellets, this is a fast acting liquid for ice removal and prevention. It will quickly break up ice and hard packed snow, making it easy for removal. - <b>#710215- 55gl/DR - #710235 4gl/cs</b>
<b><u>HD Broadcast Spreader</u></b>	Perfect for evenly dispersing ice melt throughout the grounds and outdoor walk ways of your facility. <b>#710105</b>
<b><u>Neutralizer Conditioners</u></b>	Removes ice melt residue on floors and carpets. <b>#060020, #345280, #265WINTER</b>
<b><u>Ice Scraper &amp; Snow Shovels</u></b>	Are the shovels used during last season’s shovels broken or rusty? It might be time for replacements! <b>#710021 #710020, #710050, #710006</b>
<b><u>Safety Items</u></b>	Extra Wet Floor Signs <b>#600285</b> and Carpet Blowers <b>#632051</b> should also be ready and easy to locate for extreme wet weather conditions.
<b><u>Entrance Matting</u></b>	<u><a href="#">Do you have adequate indoor and outdoor matting?</a></u> Check your entrances. Are the existing mats in good condition?
<u><a href="#">New Product! Sure Stride Matting</a></u>	Sure Stride is low-profile matting with adhesive backing to ensure it stays in place. It is recommended for commercial use on hard floor surfaces to help prevent slips, trips, and falls caused by moisture.
<u><a href="#">New Product! Melt Step Matting</a></u>	A convenient and reliable solution for melting snow and ice from walkways to prevent slip and fall accidents. Water proof electrical connection system with GFCI switch prevents electrical shock hazard. Up to 4 mats can be connected in sequence. Durable molded nitrile rubber construction is water proof, UV resistant, and flexible in freezing temperatures.
